

# There Ain't No Bugs On Me

This is a fun song to make up verses to.

Just have the participants think of an insect,  
animal, plant, etc., then rhyme with that word.

E

O there ain't no bugs on me.      O there ain't no bugs on  
O there ain't no flys on me.      O there ain't no flys on  
O there ain't no ants on me.      O there ain't no ants on
